House and Ice Rules

DEER LODGE CURLING CLUB LIMITED

1964 — 1965

ICE RULES

Regular Draw

There will be two draws each evening, Monday through Friday, at 7:00 p.m. and 9:15 p.m. A senior member of the Club will be appointed to take sole charge of each draw: his name will be shown on the curling schedule. His duties shall include:

- (1) Posting the draws and sheet numbers on the bulletin board
- (2) Calling for and allocating spares
- (3) Posting winners and losers on the permanent draw schedule
- (4) Taking full responsibility for completing the draw in the normal allotted time
- (5) Dealing with other matters that arise from the particular draw for which he is responsible.

LENGTH OF GAMES

Games will be of ten ends duration, commencing at 7:00 p.m. and 9:15 p.m. If any of the competing rinks are not ready to play at the hour named, one end shall be counted as played for every ten minutes and the opposing rink, if ready to play, shall count one point in the game, for each period of time kept waiting. At the commencement of play following such a waiting period, the rinks will determine by a toss the

privilege of last rock. The bell will be rung at 7:00 p.m. sharp to commence play and will be rung again at 8:45. At this time the end being played plus one more complete end will be played. All tie games on any draw will require an extra end to be played. If by any reason of ice conditions or the ice not being ready for play and a draw is delayed, the final bell will be rung (1:45) one hour and forty-five minutes after commencement of play. It is the sole responsibility of the person in charge of the draw to determine when such action should be taken and to notify the ice-maker of the specific time at which the final bell is to be rung. The person in charge of the draw should then make a report to the Executive, outlining the reasons for delay. Normally, the first draw should be able to commence at 7:00 p.m. sharp and only in unusual circumstances should the person in charge of the draw make any changes from the normal procedure. The second draw will commence at 9:15 p.m. and be played under the same rules as the first draw except that there shall be no finishing bell.

POSTING OF SCORES

It will be the winning skip's responsibility to notify the official-in-charge of the results of games so that the official scoreboard can be kept up-to-date.

SUBSTITUTIONS

There must be at least two regular members on a team to constitute a proper game, otherwise the game must be defaulted. Skips knowing in advance of a game of a shortage of personnel may contact direct any regular member, associate member or any junior member listed in the roster to fill out their needs. All other substitutions will be made from the spareboard on the following

basis: all members wishing to spare shall place their names on the blackboard provided; all skips shall list their needs on the same board; the official in charge of the evening draw shall assign, by chance, the spares to the rinks needing two substitutes receive the first available choice. The order of priority is as follows: associate members; regular members and juniors.

It is recognized that there may be the very odd occasion when a rink might like to include a guest. This can only be done if a substitute from the spare board is not available and only if the opposing skip consents to the arrangement and it is approved by the official in charge of the draw. It is expected that every skip who is short personnel will record his needs for a spare. Rinks should not curl with only three men when spares are available on the spare board. Spares will play the lowest positions on the rink.

POSTPONEMENTS

All games must be played on or before the dates scheduled. Rinks playing in outside bonspiels or which cannot play a Club game at the time drawn must arrange to play the game in advance of the scheduled date. This may only be done with the consent of the opposing skip.

CURLING SCHEDULE

The Ice Committee will post a schedule of the regular draws on the bulletin board. Prior to each round, it is the skip's responsibility to notify the personnel of his rink of the dates and times of all games.

Rinks will be divided into six groups of ten each. Four rounds will be played. A rink will be moved up or down consistent with the number of points accrued as the rounds progress. The final round will be the one that determines the prize winners in each group. Prizes will be awarded to first and second teams in each group.
